

# Harmonia's CEO Pallabi Saboo among Greater Washington's Smart100

**Blacksburg, VA, May 1, 2009** – Harmonia, Inc.'s CEO, Pallabi Saboo has been named to the *Washington SmartCEO* magazine 2009 Smart100 program, an exclusive group of 100 CEOs assembled by an independent selection committee. The Smart100 are not chosen based on the growth of the organization. A Smart100 CEO is selected for his or her Leadership, Strategic Vision and Character.

"I am deeply honored to have been selected as a recipient of *SmartCEO's* Smart100 Award, and to have been included among such an impressive group of awardees." commented Saboo. "This award reflects on the entire Harmonia Team – who are dedicated to providing cutting edge technology to support the most cost effective development of a wide range of Federal, DoD, and commercial applications in the shortest time possible."

All Smart100 CEOs will be profiled in the 100-page annual supplement which will debut as the 13th issue of *SmartCEO* this spring. The Smart100 will also be listed on [www.smartceo.com](http://www.smartceo.com). The Smart100 companies represent a variety of industries including government contracting, information technology consulting, travel services, financial services, and video production. The average Smart100 company employs between 10 to 100 employees and generates \$10-\$50 million in revenue.

"The Smart100 represent 100 of greater Washington's CEO's. No other publications in the Greater Washington area have produced a publication of this magnitude with such high-caliber CEOs. The Smart100 embodies 100 CEO's with incredible business minds who have successfully grown their companies to be the best in Washington," says Group Associate Publisher of *SmartCEO*, Jaime Park.

*Washington SmartCEO* magazine is a regional "growing company" publication. *SmartCEO* believes that a "growing company" is really determined by the spirit, drive and dynamics of a company's owners and managers, rather than by the size of its building, the number of its employees, or its sales volume. *SmartCEO* is read by more than 34,000 business owners in Baltimore and Washington.
